Tutto ha inizio da una sedia in legno con la seduta impagliata, la Marocca. È il 1923 e Antonio Calligaris fonda a Manzano, in Italia, un'azienda destinata a diventare un marchio conosciuto in tutto il mondo. Di generazione in generazione, Calligaris si trasforma in un'industria moderna e internazionale. Oggi che ha superato il secolo di vita, continua a raccontare con i suoi prodotti una storia di innovazione, saper fare e design italiano.

It all starts with a wooden chair featuring a woven seat, the Marocca. It is 1923, and Antonio Calligaris founds a company in Manzano, Italy, destined to become a globally recognized brand. From generation to generation, Calligaris evolves into a modern and international industry. Today, after a century of existence, it continues to tell a story of innovation, know-how, and Italian design through its products.

Calligaris, dal 1923 /Since 1923

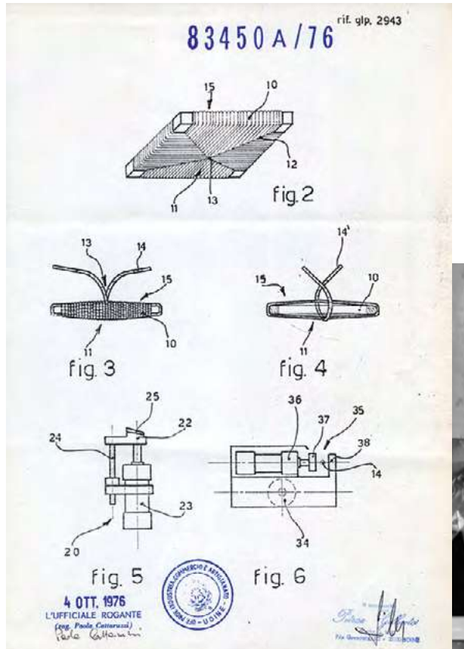

Calligaris è testimone di un secolo di saper fare. Dalla tradizione artigianale delle origini alla meccanizzazione degli anni Settanta, fino alla consolidata forza industriale di cui gode oggi, l'azienda ha sempre interpretato la produzione di arredamento come un progetto capace di coniugare estetica e funzionalità, passato e presente, eccellenza e qualità.

Calligaris is witness to a century of know-how. From the artisanal tradition of its origins, to the mechanization of the 1970s, to the consolidated industrial strength it enjoys today, the company has always interpreted furniture production as a project that combines look and functionality, past and present, excellence and quality.

La capacità di abbracciare il cambiamento è la caratteristica più duratura del marchio Calligaris, e l'ingegno il pilastro su cui si basa la sua spinta all'innovazione. Punta di diamante sono i meccanismi di allunga dei tavoli. Semplici, eppure estremamente ingegnosi, i meccanismi sono la migliore dimostrazione dell'attitudine di Calligaris a offrire soluzioni innovative per la vita di tutti i giorni.

The ability to embrace change is the most enduring characteristic of the Calligaris brand, and ingenuity is the pillar that supports its drive for innovation. A highlight of this are the extension mechanisms of its tables. Simple yet extremely ingenious, these mechanisms are the best demonstration of Calligaris' aptitude for offering innovative solutions for everyday life.

Abrey è la classica seduta in legno reinterpretata all'insegna del comfort. Sedia, poltroncina e sgabello sono accomunati dall'ampio schienale che avvolge il sedile, sorretto dalle gambe posteriori. Un dettaglio che valorizza il retro delle sedute, ideali attorno al tavolo della stessa linea.

Abrey is the classic wooden seat reinterpreted in the name of comfort. Chair, armchair, and stool share the wide backrest that wraps around the seat, supported by the back legs. A detail that enhances the backs of the seats, ideal around the table of the same line.

Aida è una delle collezioni più amate di Calligaris. In sedie e sgabelli, la modernità del metallo incontra un design dalle linee slanciate e dinamiche. L'estetica è minimal e a fare la differenza sono le finiture dei rivestimenti da scegliere tra metallo e tessuto, metallo e cuoio o tutto cuoio.

Aida is one of Calligaris' most beloved collections. In chairs and stools, the modernity of metal meets a design with slender and dynamic lines. The style is minimalist, and what makes the difference are the finishes of the coverings between metal and fabric, metal and leather, or all leather.

Annie trova nella versatilità il suo punto di forza. La scocca è disponibile in due varianti, entrambe imbottite, con rivestimento teso o trapuntato. Numerose le basi disponibili, da scegliere a seconda dell'atmosfera ricercata: la sedia trova uno stile caldo e classico abbinata alle gambe in legno, contemporaneo con la base in metallo.

La collezione Atollo si ispira alle isole coralline disposte ad anello, di cui richiama le linee curve e rotonde. A caratterizzarla è la struttura in tondino di metallo, che sorregge una seduta imbottita e trapuntata a losanghe. E se gli sgabelli trovano la loro collocazione ideale nella zona giorno, la panca può diventare un ricercato complemento nella zona notte.

The Atollo collection is inspired by the coral islands arranged in a ring, recalling their curved and round lines. It is characterized by a metal rod frame that supports a padded and diamond-quilted seat. And if the stools find their ideal location in the day area, the bench can become a refined complement in the night area.

Basil è una collezione di sedute molto ampia, dall'estetica multiforme. Punto di partenza è la scocca ispirata a una foglia di basilico, dove la nervatura centrale è un tema sia strutturale sia decorativo. In polipropilene o rivestita in cuoio, si abbina a diverse basi in legno o metallo, anche con ruote, e si declina nella versione sgabello.

Basil is a very extensive collection of seats with a multifaceted look. The starting point is the shell inspired by a basil leaf, where the central vein is both a structural and decorative theme. In polypropylene or covered in leather, it combines with several wooden or metal bases, also with wheels, and is available in stool version.

Sedia classica con gambe in legno massello, seduta imbottita e schienale alto, Bess è pensata per i luoghi della convivialità. La cura progettuale si rivela nella continuità visiva della linea che unisce gambe posteriori e schienale, ma anche nell'attenzione al comfort, reso speciale dalle cinghie elastiche.

A classic chair with solid wood legs, padded seat, and tall backrest, Bess is designed for convivial spaces. The design care is evident in the visual continuity of the line that joins the back legs and backrest, but also in the attention to comfort, made special by the elastic straps.

A caratterizzare la collezione Carmen sono linee slanciate ed essenziali. Le gambe in metallo sono sottili, così come lo spessore di seduta e schienale, resi però confortevoli dall'imbottitura con cuscino fisso che crea un'interessante piega sul retro. Carmen è disponibile anche in versione sgabello con poggiapiedi.

The Carmen collection is characterized by slender and minimalist lines. The metal legs are thin, as is the thickness of the seat and backrest, made comfortable by the padding with a fixed cushion that creates an interesting fold at the back. Carmen is also available as a stool with footrest.

Si ispira al design anni Cinquanta una delle collezioni più amate di Calligaris, Holly. Diverse le tipologie di base tra cui scegliere, per una seduta che copre tutte le esigenze domestiche, dalla sala da pranzo all'home office.

One of Calligaris' most beloved collections, Holly, is inspired by the design of the 1950s. Con le sue forme morbide e aggraziate, Inès richiama le sedute anni Cinquanta. Sedile e schienale dal profilo tondeggiante acquistano lo stile desiderato in base alla struttura e alle finiture scelte – sofisticato in metallo dorato, industrial in metallo nero, caldo e domestico nella versione con gambe in legno.

The seat and backrest with rounded profile acquire the desired style depending on the chosen structure and finishes – sophisticated in golden metal, industrial in black metal, warm and domestic in the version with wooden legs.

Ispirata ai giochi di luce nel mare di Saint Tropez, dell'iconica località francese questa collezione richiama anche il dinamismo. La scocca a effetto trapuntato, in tonalità trasparenti od opache, è montata su diversi basamenti che la rendono ideale accanto a un tavolo da pranzo, ma anche abbinata a una scrivania.

Inspired by the plays of light on the sea of Saint Tropez, this collection also evokes the dynamism of the iconic French location. The quilted-effect shell, in transparent or opaque tones, is mounted on various bases that make it ideal next to a dining table, but also paired with a desk.

Dell’omonima collezione di sedie, Fifties riprende le suggestioni vintage e l’abbinamento tra la struttura sottile in metallo e gli elementi imbottiti. A cambiare sono le dimensioni, più generose, le proporzioni tra gli elementi e l’inclinazione del sedile, che guardano alla comodità di una poltrona facilitando una seduta più rilassata.

From the chair collection of the same name, Fifties interprets the vintage vibes and the combination of the slender metal structure with padded elements. La sedia Holly rinasce in versione lounge ed è ancora più confortevole.
